**WARE MALCOMB ANNOUNCES KEY PROMOTIONS IN NY AND NJ OFFICES**

**IRVINE, California (October 30, 2014)** – Ware Malcomb, an award-winning international design firm, today announced two key promotions in its Northeast offices. Joseph Di Giorgio has been promoted to Studio Manager in the firm’s newly-opened New York City office, and Asif Alli has been promoted to Studio Manager, Commercial in the firm’s New Jersey office.

“We are pleased to recognize the contributions of these two professionals with well-deserved promotions,” said Bill Sotomayor, Regional Director of Ware Malcomb’s New York City office.

“Ware Malcomb has seen tremendous growth in the New York and New Jersey markets, and we look forward to continuing that momentum into 2015 and beyond,” added Michael Bennett, Regional Director of Ware Malcomb’s New Jersey office.

Joseph Di Giorgio was previously a Senior Project Manager based out of Ware Malcomb’s New Jersey office, a position he has held since 2010. With this promotion he is transferring to the firm’s New York City office, which opened in the summer of 2014. He brings a wealth of master planning, land use, and architectural design expertise to his new role. He has worked on a variety of projects including commercial office, corporate office, industrial, warehouse, and research & development facilities. Di Giorgio has worked at Ware Malcomb since 2006, including positions in the firm’s San Diego and Chicago offices. Di Giorgio holds Bachelors and Masters of Architecture degrees from Kent State University. He is a member of NAIOP Developing Leaders and Urban Land Institute.

Asif Alli brings over 15 years of architectural experience to the Ware Malcomb team, which he joined in 2013 as a Senior Project Architect. His expertise includes in-depth knowledge of sustainability principles, a thorough understanding of codes, regulations and guidelines, and proficiency in relevant technologies. His diverse project experience encompasses both public and private projects in a wide range of market sectors (including office, industrial, corporate, residential,

institutional, transportation and commercial projects) and involvement in all stages of design. Alli received a Bachelor of Science degree in Architectural Technology from the New York Institute of Technology. He is a licensed architect in the state of New York, a LEED (Leadership in Energy & Environmental Design) Accredited Professional, and is a member of the American Institute of Architects and the U.S. Green Building Council (N.J. Chapter).

## About Ware Malcomb ([waremalcomb.com](http://waremalcomb.com))
