WARE MALCOMB ANNOUNCES ADAM BURROWS HAS JOINED THE FIRM AS SENIOR DESIGNER

IRVINE, Calif. (February 18, 2015) – Ware Malcomb, an award-winning international design firm, today announced that Adam Burrows has joined the firm as Senior Designer based in the Irvine, Calif. headquarters. Burrows brings over 15 years of design, planning, and project management experience to his new role at the firm’s *wm | graphics* studio, with a particular focus on architectural signage and design direction for environmental graphics.

“We are excited to have someone of Adam’s creativity and experience join the fast-growing *wm | graphics* team,” Debra Bryant, Studio Manager of *wm | graphics*. “Adam is well-known by many commercial real estate clients for his strength in the design of environmental graphics, and we look forward to his contributions in the years ahead.”

Burrows specializes in design, commercial and residential wayfinding signage, and brand identity. He has a proven track record of versatility by working directly with city planning agencies, building and land developers, real estate agencies, and fabricators to bring projects to life from concept to implementation.

Prior to joining Ware Malcomb, Burrows was a Senior Designer/Project Manager at JB3D Architectural Graphics and Branding in Orange, Calif., where he worked on projects for development and construction companies and major commercial and retail development projects including Pelican Hill Resort & Hotel, Fashion Island, Irvine Spectrum Center, The Island Hotel and many others. He was involved in all phases of projects including initial concepts, design development, bid documents, fabrication specifications, shop drawings, structural engineering integration, code compliance, permits, fabrication and installation coordination. He worked directly with city and county planning departments to implement sign programs, secure variance approvals and process conditional use permits and modifications. Earlier in his career he was a Senior Designer/Production Manager at The Graphics Department, Inc. in Anaheim, Calif. and a Graphic Designer at Graphics Printing Plates in Buena Park, Calif.
