WARE MALCOMB ANNOUNCES MICHAEL BENNETT PROMOTED TO PRINCIPAL IN NEW JERSERY OFFICE

IRVINE, Calif. (March 24, 2015) – Ware Malcomb, an award-winning international design firm, today announced Michael Bennett has been promoted to Principal in the firm’s New Jersey office. In this role, Bennett joins the firm’s senior leadership team in addition to maintaining his current responsibilities in leading the firm’s New Jersey office.

Bennett began his 18-year career at Ware Malcomb in the Irvine, Calif.-based headquarters in June 1997. Four months later, he relocated to the Pleasanton office, where he was promoted from Designer to Project Manager. In 2002 he relocated to the San Diego office and was promoted to Senior Project Manager. In 2005, Bennett accepted the opportunity to open Ware Malcomb’s New Jersey office. He was promoted to Regional Manager in 2006 and to Regional Director in 2012.

Primarily operating in New Jersey, Pennsylvania and Florida, Ware Malcomb’s New Jersey office has managed hundreds of projects in 21 states across the Eastern U.S. since it opened in 2005. The office expanded to a larger space in 2014 to accommodate its growing employee and client base, along with its expansive geographic reach. The firm offers a full range of planning, architecture, interior design, graphic design and civil engineering services to commercial real estate and corporate clients.

“Michael’s design talent and technical expertise are evident in the diverse collection of projects he has designed in markets across the United States,” said Lawrence R. Armstrong, CEO of Ware Malcomb. “At the same time, his excellent client service abilities and leadership skills have been responsible for the tremendous growth of our New Jersey office. We honor his dedication and look forward to his continued contributions in the years ahead.”

Bennett graduated from the University of Arizona with a Bachelor of Architecture degree. He is a LEED Accredited Professional and brings extensive experience in logistics, industrial, distribution, technology, office, and healthcare projects.
