WARE MALCOMB OPENS NEW OFFICE IN MIAMI

International Design Firm Now Has 17 Offices Across North America; First Location in Southeast

MIAMI (August 26, 2015) – Ware Malcomb, an award-winning international design firm, today announced the firm has opened a new office in Miami, bringing the total number of offices across North America to 17 and marking its first office opening in the Southeast U.S. The new office, located at 15150 NW 79th Court, Suite 200 in Miami Lakes, Florida, will specialize in architectural, interior architectural design, civil engineering and branding services for commercial real estate and corporate clients.

“With an increasing portfolio of projects in the Southeast and over 10 active projects in Florida alone, we are excited to open a new office in Miami to better serve our clients in the region,” said Lawrence R. Armstrong, Chief Executive Officer of Ware Malcomb. “The Miami office will also serve as a bridge to our growing business in Latin America. All of us at Ware Malcomb look forward to a bright future in this exciting and vibrant market.”

An industry leader in the design of commercial and corporate real estate, Ware Malcomb has consistently achieved significant growth over the past five years, increasing annual revenue over 170% from 2010 to 2015. Over the past 15 months, the firm has opened new offices in New York and Seattle, and announced expansions in its Northern California, Toronto, Denver, and New Jersey offices.

The firm also announced Stirling Moore has been promoted to Regional Manager and will assume leadership of the new Miami office. Since joining Ware Malcomb in 2014 as a Senior Project Architect in the firm’s New Jersey office, Moore has taken an active role in managing client projects and establishing a presence for Ware Malcomb in Florida.

Ware Malcomb Principal Michael Bennett, based in New Jersey, is overseeing the growth of the firm’s Florida operations and continues to work closely with clients in the region. “Since 2013, Ware Malcomb has been providing architectural services for 10 new buildings for Flagler Global Logistics in the Miami and Titusville markets,” said Bennett. “Most recently, we provided architecture and interior
