## **WARE MALCOMB ANNOUNCES DOUGLAS GULLO HAS JOINED FIRM AS STUDIO MANAGER, ARCHITECTURE**

**PHOENIX (April 04, 2019)** – Ware Malcomb, an award-winning international design firm, today announced Douglas Gullo has joined the Phoenix office as Studio Manager, Architecture. In this role, Gullo will oversee the Architecture Studio and manage select projects for Ware Malcomb’s Phoenix office.

“We are excited to have someone of Douglas’ tremendous expertise and talent join our team,” said Kevin Evernham, Principal of Ware Malcomb’s Phoenix office. “His design excellence in commercial real estate will help expand the reach of our Architecture team, and enable us to further serve our clients.”

Gullo brings more than 25 years of architecture and business development experience to Ware Malcomb. He has worked on many notable Greater Phoenix-area projects including office, retail, industrial, medical office buildings, and resort and entertainment. Utilizing his architectural design and project management skills, Gullo manages the design process from initial concept and ideas through successful project completion. Gullo holds a Bachelor’s degree in Architecture from the University of Arizona and is the design author on many award winning office, retail, industrial and medical buildings in the Greater Phoenix market.

Ware Malcomb recently moved to a new, larger office space located at 2777 E. Camelback Rd, Suite 325 in Phoenix. The move accommodates the firm’s growing employee and client base in the region.

Ware Malcomb has been operating in the Phoenix market since 2006, providing architecture and interior design, and now civil engineering services. Recent projects include: interior architecture and design services for the new 35,000 square foot office and call center for Varsity Tutors in Phoenix; architectural design services for the 56,000 square foot, three-story Mercy Medical Commons II medical office building in Gilbert; and interior architecture and design services for the new 170,000 square foot office and manufacturing headquarters for Western Window Systems in Phoenix.
