WARE MALCOMB RECOGNIZED ON INC. 5000 LIST OF FASTEST-GROWING PRIVATE COMPANIES IN AMERICA

IRVINE, Calif. (September 16, 2019) – Ware Malcomb, an award-winning international design firm, today announced it has once again been recognized on the [2019 Inc. 5000](#), Inc. Magazine’s annual list of the fastest-growing private companies in America.

Ware Malcomb made its debut on the Inc. 5000 list in 2018 and is one of only five architecture and civil engineering firms to be included this year. Companies on the Inc. 5000 are ranked according to percentage revenue growth from 2015 to 2018, with Ware Malcomb achieving 67% growth in that time period.

In 2019, Ware Malcomb opened two new offices in Washington, D.C. and Dallas, Texas, bringing the total number of offices in North America to 24. The firm also added building measurement services to its core service offerings, expanding the range of capabilities provided to commercial real estate and corporate clients across its markets.

“Ware Malcomb has been on a path of continuous growth that would not be possible without the talent and dedication of our incredible team members,” said Lawrence R. Armstrong, Chief Executive Officer of Ware Malcomb. “We have expanded our scope of services, our workforce, and our geographic reach to provide our clients with the highest level of design services in the industry.”

“It is an honor to once again be named among the fastest-growing private companies in America,” added Kenneth Wink, Executive Vice President of Ware Malcomb. “Ware Malcomb’s well-deserved reputation for quality and innovation has been achieved through the hard work of every team member, and we congratulate each of them for their ongoing contributions to the firm’s growth and success.”

This year Ware Malcomb was also once again recognized as a Hot Firm and Best Firm to Work For by Zweig Group. The firm is ranked among the top 15 architecture/engineering firms in *Engineering News-Record’s* Top 500 Design Firms and the top 30 interior design firms in *Interior Design* magazine’s Top 100 Giants.
