WARE MALCOMB EXPANDS TO NEW OFFICE IN DOWNTOWN SAN DIEGO

Move Marks the Firm's Second Growth-Driven Office Move in San Diego Market This Year

SAN DIEGO (October 17, 2019) – Ware Malcomb, an award-winning international design firm, today announced they have moved into a new, larger office space located at 402 West Broadway, Suite 1560 in downtown San Diego. The move was driven by the growth of the firm's local employee and client base. Just nine months ago, Ware Malcomb's other office in San Diego also expanded to a larger space located at 3911 Sorrento Valley Blvd., Suite 120.

"Our presence within the dynamic San Diego market continues to expand with our second growth-driven office move in less than a year," said Tiffany English, Principal of Ware Malcomb's San Diego offices. "Between our two San Diego offices, Ware Malcomb is well positioned to provide our clients with a growing array of design services now and into the future."

Ware Malcomb's new downtown San Diego office incorporates the latest in interior design trends, as well as the firm's own design standards. The entry to each Ware Malcomb office conveys a hospitality feel, providing an open and inviting welcome punctuated with iconic pieces of furniture. The color palette, finishes and materials reflect the Ware Malcomb brand colors of vibrant orange with white and grey accents. The work environment fosters collaboration while also allowing for privacy and heads down work. It includes two different types of workstations – a benching station and a desking station, some with adjustable desk heights – to provide a variety of work options and cater to different work preferences.

In addition to implementing the firm's design standards across its offices in North America, Ware Malcomb's in-house Branding Studio also incorporates unique branded graphics in each regional office that reflect the local community and surrounding area, as well as the office's client base.

"In designing our own Ware Malcomb offices, we utilize the same principles as in all of our client projects, including an emphasis on long term real estate value, high quality materials, and incorporating sustainable features wherever possible," added Catharine Hughes, Director, Interior Architecture & Design for Ware Malcomb's Downtown San Diego office.

Notable projects completed by Ware Malcomb in the downtown San Diego area include: providing architecture, interior design and branding services for the exterior, lobby and amenity renovations of 525 B Street in downtown San Diego and interior architecture and design services for a 40,000 SF new creative office space for Psyonix.

About Ware Malcomb (waremalcomb.com)

Established in 1972, Ware Malcomb is an international design firm providing planning, architecture, interior design, branding, civil engineering and building measurement services to commercial real estate and corporate clients. With 24 office locations throughout the United States, Canada, Mexico and Panama, the firm specializes in the design of commercial office, corporate, industrial, science & technology, healthcare, retail, auto, public/educational facilities and renovation projects. Ware Malcomb is recognized as an Inc. 5000 fastest-growing private company and a Hot Firm and Best Firm to Work For by Zweig Group. The firm is also ranked among the top 15 architecture/engineering firms in Engineering News-Record's Top 500 Design Firms and the top 30 interior design firms in Interior Design magazine's Top 100 Giants.
