WARE MALCOMB ANNOUNCES PROMOTION OF KIM ARIAL TO DIRECTOR OF BUILDING MEASUREMENT SERVICES

LOS ANGELES (May 25, 2021) – Ware Malcomb, an award-winning international design firm, today announced that Kim Von Der Ahe-Arial has been promoted to Director, Building Measurement Services. In this new role she will be responsible for the national growth of Ware Malcomb’s building measurement services throughout the company.

Since joining the firm in 2018, Arial has focused on expanding the firm’s building measurement services across North America. She has secured numerous regional and national clients to expand these services into new markets. Her team works with landlords, asset management firms, property managers and brokers to deliver accurate floor plans with quick turnaround times.

“Kim has incredible dedication and is highly admired by her team, Ware Malcomb peers and industry partners,” said Radwan Madani, Vice President, Operations for Ware Malcomb. “Her tenacity and commitment to client service has enabled her to secure key clients in several of our company’s regions.”

She is an active member of the International Council of Shopping Centers (ICSC) and holds a Bachelor of Arts degree in Communications from University of Southern California.

Ware Malcomb’s building measurement team creates accurate as-built floor plans and provides 3D scanning services for commercial, industrial, healthcare, retail and residential properties using the latest in laser measuring technology.
