WARE MALCOMB ANNOUNCES EXPANSION IN CANADA

Design Firm Opens Third Canada Office in Ottawa

OTTAWA, Ontario (July 20, 2021) – Ware Malcomb, an award-winning international design firm, today announced that the firm has opened a third office in Canada. The office, located in Ottawa, at 1420 Blair Towers Pl, Suite 104, Gloucester, Ontario K1J 9L8, will serve to support Ware Malcomb's growing client and project base across Canada.

Ware Malcomb first entered the Canadian market in 2007 through an acquisition, and Principal Frank Di Roma has successfully led the growth and diversification of the firm's business in Canada since 2010.

"We already have a strong presence in Toronto and Vaughan. This third office solidifies our Canadian presence and allows more accessibility to clients seeking our expertise," said Di Roma.

"It's an exciting time for our region, and we look forward to the opportunities and dynamic projects ahead of us," said Christina Kolkas, Director, Interior Architecture & Design.

Specializing in architecture, planning, interior design, branding, civil engineering and building measurement services for commercial real estate and corporate clients, Ware Malcomb has completed over 1200 projects in Canada and currently has active projects in six provinces across the country.

Select recent work in Ottawa includes: two projects with Avenue 31, providing architectural design services for a multi-storey industrial facility and providing architecture, interior design and branding services for a 100-acre, six building industrial park; and a project with Broccolini providing architectural design services for a one million SF distribution centre.

About Ware Malcomb (waremalcomb.com)

Established in 1972, Ware Malcomb is a contemporary and expanding full service design firm providing professional architecture, planning, interior design, civil engineering, branding and building measurement services to corporate, commercial/residential developer and public/institutional clients throughout the world. With office locations throughout the United States, Canada and Mexico, the firm specializes in the design of commercial office, corporate, industrial, science & technology, healthcare, retail, auto, public/institutional facilities and renovation projects. Ware Malcomb is recognized as an Inc. 5000 fastest-growing private company and a Hot Firm by Zweig Group. The firm is also ranked among the top 15 architecture/engineering firms in Engineering News-Record's Top 500 Design Firms and the top 25 interior design firms in Interior Design magazine's Top 100 Giants.
